

QGSS Mentoring

With Brian Ingmanson

Let's be honest:

- Lots of asks
 - QAMP, Challenge, QGSS, Explorers, etc
- It's Summer (for most of you)
 - Trips, beach days, vacation
- Sitting inside and looking at a computer isn't fun

QGSS is
nothing
without
you!

QGSS is Different

- Biggest event we host (6000 signups)
- Heavily structured day-by-day
- You know what to expect already
- No training needed!
- Discord is main communication – just an app on your phone

How to Be a Mentor:

Prerequisite

- Early Access summer school participation
 - Completed 75% of graded labs
- Excited and willing to engage
- Willing to ask questions

Responsibilities:

- Discord
- Chat in Crowdcast
- Flag Issues or Questions

Goals:

- Find the first timers, make their experience special
- Foster the global community
- Plug your stuff too!
- Have fun 😎

Key Details:

- July 17 – 28
- Whatever time you have to give
- “Thank you” package
- All mentors are unique, don’t feel the need to be like someone else
